Dedication

Mr. ROBERT A.
COLBURN
Secretary

The student body of Holbrook High School wishes to express their appreciation and gratitude to the members of the School Building Committee.

Although busy with their own personal and business affairs, these men spent much time and effort in planning our present high school.

We can best express our appreciation by being the citizens that such a school may be expected to produce.

Superintendent

Your parents, your church, your community, and your school have, during the past twelve years, been of help to you in the formulation of ideals and a system of values by which you establish a standard to guide you through later life. These ideals, this system of values by which you live are of great importance to you as an individual citizen of your community, and are of equally great importance to you as a citizen of your state and your nation.

The worth and dignity of the individual, a strong sense of justice, a keen realization of moral and spiritual values, a willingness to co-operate and sacrifice for the common good--these are the strands that have been woven into the standard and have given to you a map of life. The threat to our way of life and the belittlement of our ideals and principles will not prevail against us as long as you follow along the highways that these strands have established.

My best wishes to you as you continue on your journey.

The men who founded America believed that the State should serve the individual, not the individual the state, and that only educated individuals could preserve such a state. So the schoolhouse was the first of their buildings; and since their time untold amounts have been spent on education in the hope that the ideals on which this country was established might be kept alive.

Today, when other ideologies seek to cast doubt on these principles, I sincerely hope that your school has helped to instill in you a love of your country and a faith in it so great that whatever you do and wherever you may be, you will always be ready to "defend it against all enemies."

Mr. CLARENCE ALLEN

Assistant Principal

You are about to step out into a world which will be as good to you as you make it. Work hard and seriously at whatever you choose to do; think positively; be an active part of your community; keep in mind that team play is most effective; and enjoy yourself thoroughly.

CLASS HISTORY

Tonight, four years of long and hard learning and a lot of fun have come to an end, and we, the class of 1957, are presenting our Class Night Exercises.

In September 1953 we started out fifty-two ambitious, full-of-fun, and willing-to-learn freshmen, our class advisers, Miss Anna Damon and Mr. Peter Bizinkauskas. Assisting the class advisers were our class officers: Robert MacLean, president; Richard Elliott, vice-president; Joan Kemp, secretary; Jane Spinney, treasurer; Mary Ellen Buckley, assistant treasurer; and Janet Hunter and David Anderson, Student Council members. After much discussion and serious thinking we chose our class motto: "Always Endeavor to Continue Forever," and our class colors: Blue and Gold. Four new members were added to our class during the school year—Marlis Schweiger, Margaret Moore, Doreece DeVine, and Roland Wright. Extra-curricular activities for the year included Snoops & Scoops, Band, Cross Country, Glee Club, Girls' and Boys' Basketball, Girls' and Boys' Gym Squad, and Cheerleading, in which quite a few members of the class participated.

In September 1954 we felt our importance as sophomores. This year the class officers were Mary Ellen Buckley, president; David Anderson, vice-president; Joan Kemp, secretary; Robert Downey, treasurer; Jane Spinney, assistant treasurer; and John McLaughlin, Carol Reynolds, Janet Hunter, and Dale Belcher, the Student Council representatives. The new members of our class were John McLaughlin, James Dowd, Joseph O'Brien, Howard Abbott, Peter Ferguson, Carolyn McInnis, Gail Grant, Florence Nightingale, and Carol Cox. Extra-curricular activities included the Echo, Bulldog Bulletin, Band, Glee Club, Gym Squad, Baseball, Science Club, Basketball, Cheerleading, Track, Football, and Cross Country. David Anderson came in third in the Football Kicking Contest. High Scorers for the Cross Country team were Robert White, John McLaughlin, Joseph Tenore, Robert Christian, Robert Wagner, and Joseph O'Brien. Our social activities for the year included a successful hot dog sale with Janet Hunter, chairman. We also had a "Cherry Tree Hop" dance with Jane Spinney, chairman. This dance was a big success, thanks to our wonderful class advisers, Miss Damon and Mr. Bizinkauskas, who arranged for the appearance of a male singing group, "The Four Chaps," who provided delightful music entertainment.

Two years of work and a lot of fun have now brought us to our junior year. The class president was Robert Downey; Howard Abbott, vice-president; Gail Grant, secretary; Jane Spinney, treasurer; Richard Elliott, assistant treasurer; and Student Council members, Janet Hunter, Meredythe Chase, Robert White, and Dan Smith. New members of our class were Fred Sharp, Jane Massey, Eudivilia Closson, Loretta Repetti, Kenneth Lahti, Eva Morris, Robert Bethune, and Charles Lindsay. This was a very exciting and busy year for the juniors with the selection of class rings, a very successful hot dogs sale, and our Junior Prom, this being the most important of all the events. The theme was "Flower Land." The whole class worked extremely hard to make this glorious night, May 4, a big success. The auditorium, as well as all the people present, looked beautiful. Music was provided by Guy Ormandy's Orchestra. Richard Elliott and Louise Koski were crowned King and Queen of the Prom.

Each year the American Legion Auxiliary selects one girl from the top ten percent of the class to send to Girls' State at Bridgewater State Teachers College for one week. The lucky girl to be chosen was Barbara Condon, with Carol Reynolds as her alternate. Also each year the American Legion selects two boys for Boys' State at the University of Massachusetts in Amherst. The delegates were Robert Downey and John McLaughlin.

The Junior office girls helping in the office were Carolyn McInnis, Meredythe Chase, Mary Ellen Buckley, Carol Reynolds, and Barbara Parrotta.

Extra-Curricular activities were the Echo, the Bulldog Bulletin, the Commercial Club, the Glee Club, the Band, Cross Country, Track, Football, Basketball, Gym Squad, and Cheerleading. A quartet, made up of four members of our class, Jane Spinney, Gail Grant, Janet Hunter, and Margaret Moore, sang Christmas carols over the "Intercom" and also entertained at different assemblies. Joseph Tenore won a trophy in Boys' Gym Squad, and David Anderson broke the school record in throwing the shot put, with a throw of 42' 4 1/2".

Those receiving Pro-Merito Awards, awarded for a B or better average for three consecutive years, were Howard Abbott, Phyllis Andrews, Meredythe Chase, Barbara Condon, Robert Downey, Alice Gillis, Gail Grant, Louise Koski, Janice MacLean, Lee Mason, Margaret Moore, Barbara Parrotta, Carol Reynolds, and Maureen Smith.

At last we were seniors. Class advisers were Miss Anna Damon and Mrs. Velna Roberts, replacing Mr. Bizinkauskas. Donald Giardini, Richard Qualter, Hugh Kane, John Roberts, David Gartland, and Karl Seitz were new members of our class. To head the class this year were Robert Downey, president; Howard Abbott, vice-president; Barbara Parrotta, secretary; Jane Spinney, treasurer; Mary Ellen Buckley, assistant treasurer; and Janet Hunter, Robert White, Robert Hauston, and Carol Reynolds (president), Student Council members. Three members of our class, Robert White, John McLaughlin, and Joseph Tenore, were lost at the beginning of the year. Chester West was elected to replace Robert White in Student Council. Barbara Condon, James Dowd, Bette Pike, and Dan Smith were chosen for the Executive Board to help out the class officers.

Social activities held during the year were a Halloween Hop and a Paper Drive. Activities during the year, in which many members of the class took an active part, were the Echo, Phyllis Andrews, editor; the Bulldog Bulletin, Jane Spinney, editor; football, Robert Downey and David Anderson, co-captains; the Commercial Club, Barbara Parrotta, president; Band, Driver Education, Glee Club, both boys' and girls', with Gail Grant, president of the Girls' Glee Club, and James Dowd, president of the Boys' Glee Club; Carol Reynolds, captain of cheerleading; Robert Wagner and Howard Abbott, co-captains of the cross country team; and Student Council, Carol Reynolds, president.

The senior year is a happy, busy one which brings enthusiasm to all those looking forward to graduation in June.

Junior Class History

Well, here we are Juniors, upper classmen if you prefer, with only one more year to go!

Our past, as far as activities go, isn't much to look back on, but we can always look ahead! That we are doing with much anticipation.

Like all Juniors, we are eagerly awaiting the evening of our far-famed "Junior Prom". This we hope will be a sensation and we are striving to make it such!

The Class Rings have been ordered, and we hope are on the way.

Several of the Junior boys have joined the newly formed organization referred to as "The Boys' Glee Club", which performed along with the SPECTACULAR Girls' Glee Club (in which a number of the Junior Girls participate) at the Open House Program--thanks to the Juniors.

Our class headed the Presidential Campaign held the day before election, which gave all students the opportunity to vote. At the assembly we heard ten campaign speeches, some favoring the Democratic Party and some the Republican.

We are looking forward whole-heartedly to our final year at Holbrook High, sincerely hoping to make it a year which we shall always remember as the "Greatest"!

Sophomore Class History

We finally made it! This year, we have a class below us and we're not "little Freshmen" any longer.

Next year we'll be Juniors and in two years we'll be graduating. It really doesn't seem possible!

We've had a lot of fun and a lot of hard work in High School but it's worth it all. For most of us have great ambitions--some that we will probably never realize, others that we will realize with hard work and effort.

We have accomplished quite a bit in the short time that we have been at Holbrook High, and we hope to accomplish more in the years to come.

This year our officers were as follows: President, Arlene Taber; Vice-President, Richard Connors; Secretary, Bette Flores; Treasurer, Marlene MacPherson.

Under their able leadership we have made great progress.

We wish to thank our class advisers, too, for all the help they have given us. They are Mr. Di Benedetto, Mrs. Hooker, and Mr. Downey.

We all hope that next year we will come back a stronger class and we also hope that we will all come back as Juniors.

PRESENTS

THE DAILY LIFE AT HOLBROOK HIGH SCHOOL

As our school days near their end, we realize that school has been like a third parent to us, helping to get us ready for that tremendous adventure called life. Step by step our school has helped us forge the tools that we shall be using in all the days to come, as we set out to do our work in the world build our own homes. and ourselves have children to send to school.

English

Miss MEGLEY

There is nothing that we shall use more in the days to come than our training in English. Whatever we do, we shall need the ability to express ourselves clearly to others and to understand correctly what others are telling us.

Mr. ROBINSON

Library

Mrs. FERNALD

Next to his brain and his hands, man's most valuable tools are books; for in books thousands of men through hundreds of years have stored their knowledge. He who knows how to use books has the key to the fulfillment of his heart's desire.

Art

Mr. KREUTZER

The ability to see beauty in the world above us, and to make more beauty for ourselves and others to enjoy, may be a man or woman's most cherished possession, making bad times bearable and good times better.

Social Studies

Mr. ALLEN

History and the social sciences are like a road-map to a motorist. They tell us where we have come from and where we are; and except for washed-out bridges and new construction, they give us some idea of where we are going and how we are going to get there.

Nothing is more stimulating than a debate. The greatest calculating machine cannot compete with the rapidity, range, and delicate choice of the human mind. Our debating team allows its members and audience to experience the mental thrill of a brain operating at electrical speed to resolve the great controversial issues of today.

Mr. DOWNEY

DEBATING CLUB

M. Moore, J. Lutz, C. Danville, R. Smith, N. MacWilliams, J. Keith, J. Simpson, S. Olson, J. Pike, Mr. Downey, Adviser.

Mathematics

Miss KNUTSON

Whether we are trying to cope with the family budget, the town appropriation, the income tax, the building of a house, the construction of an airplane or the application of atomic energy, we shall all have use for mathematics in the years ahead.

Mr. PIERCE

Science

Mr. ALDRICH

Mr. HARVEY

In a world of machinery, antibiotics and atom bombs, science is basic. Physicists, biochemists, doctors and engineers, are building a new way of life for all of us. Each of them began his career in just such high-school science classes as ours.

Languages

Mrs. WOOD

Not all of us will be going to South America or France, and none of us will be visiting the Rome of Caesar and Cicero; but what we have learned of their languages has given us insight into our own, and a wider knowledge of the human race to which we belong.

Mr. DiBENEDETTO

Business is necessary to supply the needs of the people. Today, more than ever, we must have trained secretaries and accountants to carry out this work.

The subjects taught in the Commercial Department of Holbrook High School are helping to train students for work in this field.

Home Economics

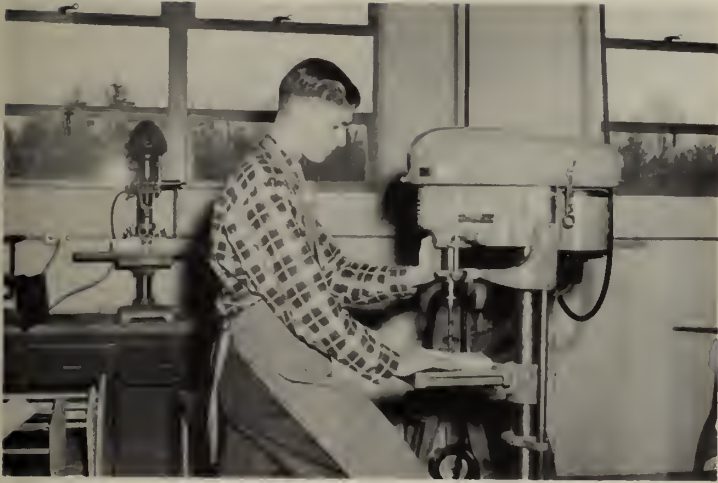

Mrs. TROMBLEY

We no longer spin and weave our own cloth or grind our own flour or leach our own lye for soap. But home-making still demands many skills. And home-making is still a woman's most important job.

Industrial Arts

Mr. CHIASSON

Man's first tool was a stone from some ancient brookbed or glacier. It is a long road from that to the beautiful and complex power tools of the present day. Skill and brain power have replaced muscle and brawn in the production of beautiful articles for those who have learned to work with modern equipment.

Girls Gym

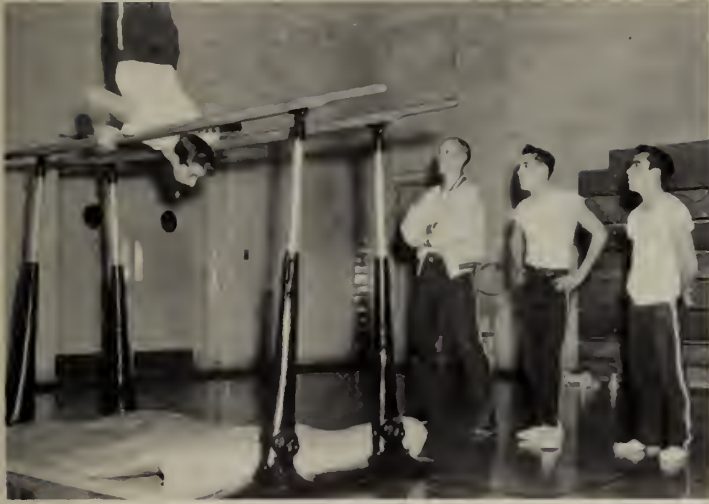

Miss BARONE

The old Green ideal of a healthy mind in a healthy body is as sound in today's world as in ancient Athens.

Boys' Gym

Mr. BLYTHE

With gymnastic facilities second to none on the South Shore, Holbrook High's gym squad is now a year round team. Practice is held twice each week in preparation for the Exhibition in the spring. Team members obtain much personal satisfaction in accomplishing a skill on the trampoline, rings, horizontal bar, parallel bar, ropes, or springboard. We may expect keen competition when other schools include this sport.

SPORTS

In our sports we learn to work together without thought of individual glory in order to produce the best team effort; we learn that loafing on the job is helping our opponents, and that there is more enjoyment in winning by hard play than by taking unfair advantage; we learn to size up an unfamiliar situation and work out the best solution of it on the spur of the moment; we learn to assume responsibility when we are in control and to respect authority when someone else is: and we learn that to lose as a sportsman is better than to be a poor winner. We believe that in learning these things we are preparing to be better citizens and better human beings.

Football

FRONT ROW: R. Downey, Co-Captain; R. Christian, G. Blais, P. Files, D. Smith, R. Donovan, J. Dowd.
MIDDLE ROW: Peter Tibbetts, W. White, Don Poole, Paul Tibbetts, V. Morgida, David Poole, J. Munroe.

Holbrook	0	Cohasset	37

It is very easy for a team to get down when they are losing, but the Holbrook boys had very good spirit all the way. The Bulldogs were at full strength only twice in eight games. Their tremendous fighting spirit as they battled a team that was far superior in every way was stimulating and certainly will be remembered a long time.

Basketball

FRONT ROW: R. Downey, W. Hooker, C. Boudreau, Co-Captain; R. Elliott, Co-Captain; J. Dowd, B. MacWilliams. BACK ROW: Mr. Blythe, Coach, G. Blais, S. McMorro, R. Wagner, H. Abbott, Manager.

In regular season play this year's team had an eight-win, ten-loss record. The Mayflower League record was eight wins and six losses for fourth place. Seniors lost through graduation are Co-Captains Richard Elliott and Carlton Boudreau, James Dowd, Robert Downey, Robert Wagner and Howard Abbott, Manager.

FRONT ROW: L. Mason, R. Christian, R. Downey, P. Feeney, R. Bethune. BACK ROW: J. Munroe, S. Cosindas, G. Blais, S. McMorrow, G. Downey, R. Connors, Mr. Pierce, Coach.

Players who won their baseball letters in the spring of 1956 were: R. Christian, L. Mason, R. Downey, P. Feeney, R. Bethune, G. Downey, G. Blais, J. Munroe, S. Cosindas, R. Connors, S. McMorrow.

Cross Country

FRONT ROW: J. French, D. Balch, R. Hansen, H. Abbott, Co-Captain; R. Wagner, Co-Captain; J. Lutz, W. Potter, L. Downey. BACK ROW: Mr. Blythe, Coach; P. Magaldi, W. Coull, E. Ashenden, W. Gaudreau, Austin Snow, K. Orcutt, J. Greenhatch.

The 1956 Cross Country team had an impressive seven-win, two-loss record. Besides this dual meet record the team finished second in the Class D state championships and won the South Shore Class B championship. Co-Captains Wagner and Abbott will be succeeded by Dick Hansen and Dave Balch.

The Scores: (Low Score Wins)

The Field Hockey team consisted of inexperienced but determined players who fought to the end of every game. The prospects for next year are bright as only two players are being lost by graduation.

Girls' Basketball

FRONT ROW: R. Smith, N. Bates, Co-Captain, L. Koski, Co-Captain; A. Taber, P. Andrews. BACK ROW: M. Chase, Manager; C. Hardy, J. Cusimano, N. MacWilliams, T. Richardi, Miss Barone, Coach.

The girls' basketball team, led by Captain Louise Koski and Co-Captain Norma Bates, has had a very successful season this year, winning eight games and losing only two. Rita Smith was high scorer. The Junior Varsity, led by Captain Alice Grillis and Co-Captain Penny White, had a similar record. High scorer for the J.V.'s was Penny White. All through the season the guards on both teams turned in a consistently good performance. The prospects for next year are good as the Varsity is losing only one forward and two guards, and the J.V.'s one forward, due to graduation.

SHOPPING FOR A JOB?

CHECK WHAT YOU WANT:

☐

*Good starting salary
with regular raises*

☐

*Pleasant work with other
girls and young men*

☐

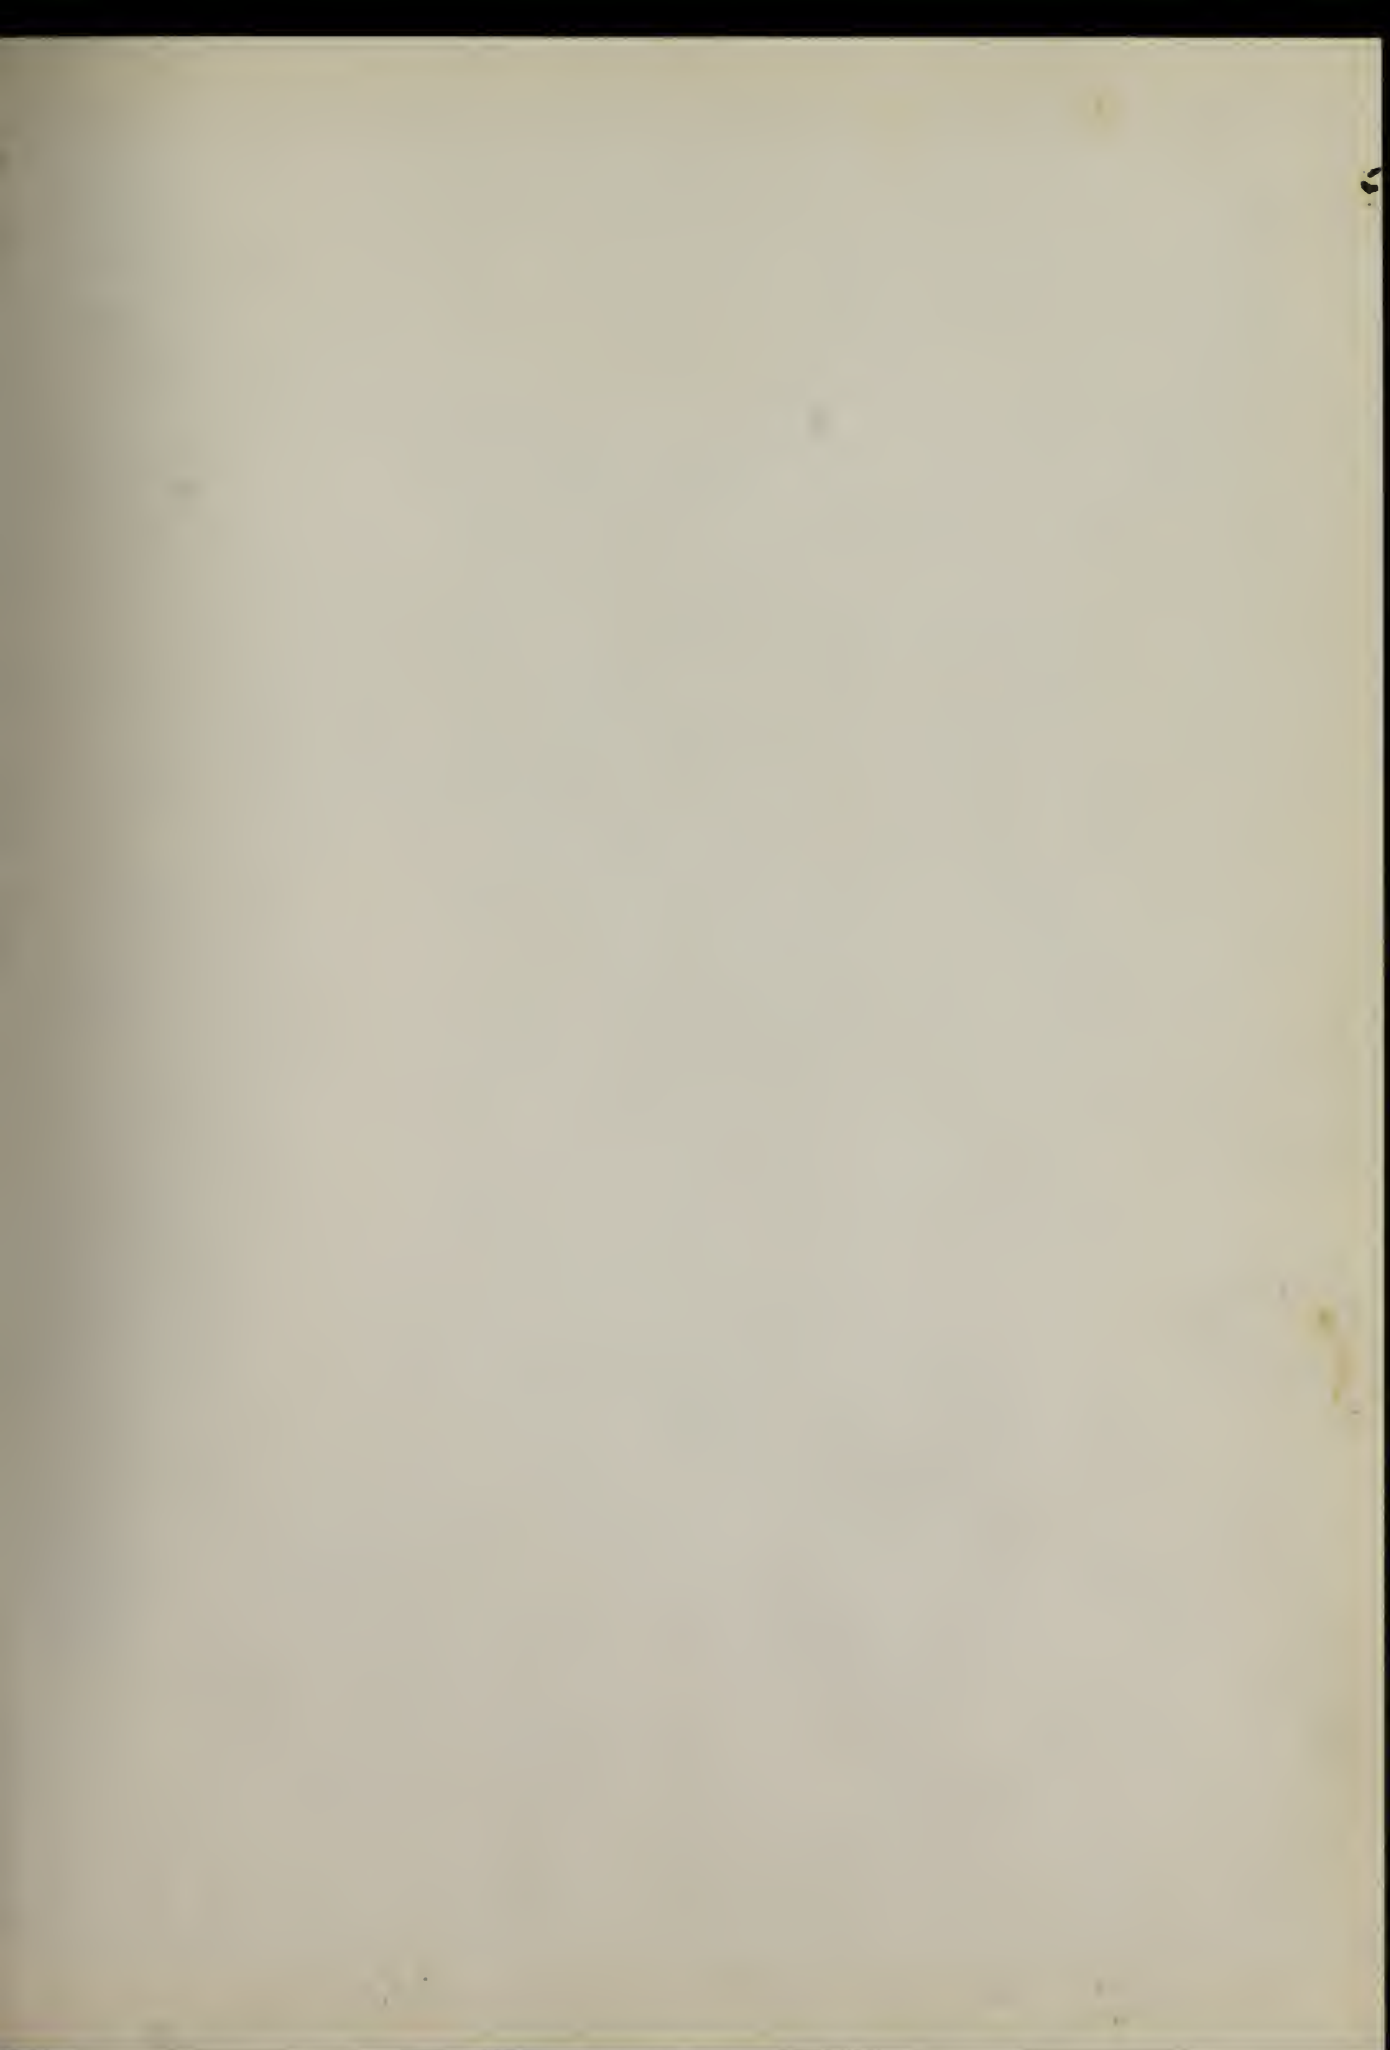

*Prestige of a responsible job with
a well-known and respected company*

If your list shows three checks, then you should check into what the Telephone Company has to offer you. Smart girls are doing it now, before they graduate from high school. Come in and see our employment interviewer soon. You'll enjoy talking with her.

Act now, and you can say with pride, "I'm all set! I'm going to work with the Telephone Company!"

See the Guidance Counselor at your school, and talk first with her about when and where to apply.
